EXECUTIVE PROFILE

Marketing leader with eight years running marketing, creative operations, and CRM systems for multi-brand home-service businesses — and a content-creation foundation (director, videographer, editor) underneath it. Featured strength: organic lead generation campaigns across Facebook, Instagram, LinkedIn, and email, run as disciplined systems with targeting screens, contact rules, and booking verification. Managed a W-2 marketing team and, before that, recruited, hired, trained, and managed a nationwide network of photographers and videographers. Fifteen-plus years across media, marketing, and operations (since 2008); AI-powered systems are the current layer on that operator foundation.
